GLOBAL VISION Inspection Report ArtProof

Repeat #: 1
Difference ID: 20
Inspected by: Johnnie@globalvision.com
Inspection date: 12/2/2013 10:54:00 AM

Master View	Sample View	Details
		Broken text Difference: 1 Level: None Comments: Broken text
		Colors differences Difference: 2 Level: None Comments: Colors difference

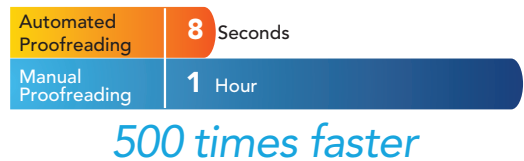

Braille Layer Artwork Layer Guideline

» **Comprehensive reporting**
Easy reporting and commenting for fast & accurate results

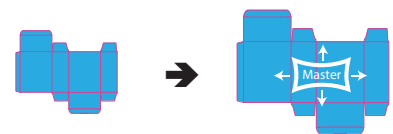

» **Layers & separation management**
Ability to hide layers/separations by default

» **Step & repeat**
Automatically adjust and match files for overlay inspection

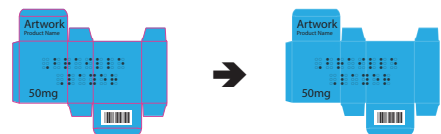

Manual vs Automated Proofreading:

» **Automatic sizing**
Detect with pixel precision all differences regardless of sample size

» **Automatic dieline removal**
Ability to remove dielines for ease of inspection

Files Types Supported:

Inspect:

- » Artwork
- » Revisions
- » Proofs
- » Step & repeat
- » Nested artwork
- » Labels
- » Cartons
- » Leaflets
